INT. COFFEE SHOP - DAY

A busy coffee shop filled with the hustle and bustle of morning rush. The aroma of fresh coffee permeates the air.

JANE sits at a corner table, sipping her latte and reading a book. Across from her, MARK approaches.

MARK

Mind if I join you?

JANE looks up, smiles, and gestures to the empty chair.

JANE

Of course. How have
you been?

MARK sits down, places his cup on the table.

MARK

Busy with work, but
good. You?

JANE

Just the usual.
Finding time to relax.

They share a warm moment, sipping their drinks in comfortable silence.

FADE OUT.
